TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Piyush** s/o Ashok Kumar residing at Maitri Apartment, Mayur Vihar Phase I Delhi has done his internship in **Business Development & Technology Department as Software Developer**, from **1st June 2022 to 1st September 2022**.

He has worked on a project titled **Development of Customer Billing & Construction Management Software**. In order to develop a comprehensive software for government contract construction projects, this project focused on Bill of Materials, Work Analysis, Customer Billing, and Material Management. As part of the project, he has been extremely helpful in the development of the software with our core team at the Business Development & Technology Department.

During the course of his internship, he was able to effectively demonstrate his skills by committing himself fully and being highly self-motivated to acquire additional knowledge and abilities. His performance was above and beyond what we had hoped for, and he was able to finish the project on schedule.

We hope that his future endeavours are as successful as they can possibly be.

Thanking You
